I will give you all my advice and tips today, but I am unable to see your dog's body language, assess your relationship/attachment with your dog and assess the situation properly. Getting someone in to help you properly, would be my first suggestion and a very wise idea with a young child in the house.

[Getting dog used to kids: A dog trainer explains how.](#)

A child who turns and runs is asking for the dog to chase. The parents, as alpha pack members, need to reinforce the correction of the puppy or dog and guide the children in their reactions. If the child is incapable of correcting the dog, the adult needs to step in 100% and tell the dog to leave the child alone.
